Memorable Lines:

(Scott Glenn) **Capt. Bart Mancuso** : Central Intelligence Agency... Now, there's a contradiction in terms.

(Sam Neill) **Capt. Vasili Borodin** : I will live in Montana. And I will marry a round American woman and raise rabbits, and she will cook them for me.

Adm Greer: *[after Jack has just arrived at the Central Intelligence Agency]*
Admiral James Greer : Jesus! You look like hell!

(Sean Connery) **Captain Ramius** : Once more, we play our dangerous game, a game of chess against our old adversary - The American Navy. For forty years, your fathers before you and your older brothers played this game and played it well. But today the game is different. We have the advantage.

Political Officer Ivan Putin : *[Reading from a book belonging to Ramius, quoting the Bible]* And the seventh angel poured his bowl into the air, and a voice cried out from heaven, saying: "It is done." A man with your responsibilities reading about the end of the world. And what's this? "I am become Death, the Destroyer of Worlds."

Captain Ramius : A little revolution now and then is a healthy thing, don't you think?

Capt. Vasili Borodin : 5, 4, 3, 2...

[everyone prepares for the impact] (my comment) Hmmm, a countdown???

Jeffrey Pelt : Listen, I'm a politician which means I'm a cheat and a liar, and when I'm not kissing babies I'm stealing their lollipops. But it also means I keep my options open.

Dr. Petrov : Well if you like borsch perhaps, but I've eaten better in an oily GALLEY. My wife said to the waiter, "where did this man learn to cook? AFGHANISTAN? So then we went on to the Bolshoi ballet, to see this new girl Gizelle. Well, you remember how BEAUTIFUL she was! Well, she just married a factory manager and...

My Interpretation: factory mgrs don't marry beautiful women...so was she purchased?

Kamarov : Stop pissing, Yuri. Give me a stopwatch and a map, and I'll fly the Alps in a plane with no windows.

Yuri (Diving Officer) : If the map is accurate enough.

My comment: QDrops have given one hell of an accurate map to follow....

General Observations:

Q. Why was Russian Sub brought to Penobscot River, Maine?

A. It's a border state...

Border states are VERY key.

Bigger than you can imagine.

The pipeline.

Not R vs D.

CA is special.

Public will learn.
