My daughters were kidnapped too! It's been 3 years. I lost custody of my 5 year old but got full custody of my 9 year old. It's insane that I'm good enough to raise one child but not another. As my lawyer says it's a crazy case and people who kill people have more rights then me!

Anyone Know Why This Happened?

Interesting that as more and more pedo **traffickers** like Epstein and Ghislaine are **arrested** and linked with prominent DC elites, there is a surge of articles denouncing anyone that believes there is a pedo network for DC elites

What a coincidence!
