- 3 Ministry resignations
- Evangelical attack on our efforts (May article linked in an evangelical article this week: <https://www.thegospelcoalition.org/article/the-fags-what-christians-should-know-about-qanon/>)

*For instance, Marc-André Argentino recently highlighted a “faction within the movement has been interpreting the Bible through QAnon conspiracies” and “QAnon conspiracy theories serve as a lens to interpret the Bible itself.” Although that particular group is relatively small group of neo-charismatic home churches, it is not uncommon to see QAnon-supporting Christians on social media interpret Q’s predictions as fulfillment of eschatological prophecy.*

The Bible not only tells us what society will be like in the end times, but it also gives us instruction to stay as clear of the mess as possible and that God will take care of the rest:

- *What sorrow for those who say that evil is good and good is evil, that dark is light and light is dark, that bitter is sweet and sweet is bitter. What sorrow for those who are wise in their own eyes and think themselves so clever. What sorrow for those who are heroes at drinking wine and boast about all the alcohol they can hold. They take bribes to let the wicked go free, and they punish the innocent. Therefore, just as fire licks up stubble and dry grass shrivels in the flame, so their roots will rot and their flowers wither. For they have rejected the law of the Lord of Heaven's Armies; they have despised the word of the Holy One of Israel. (Isaiah 5:20-24 NLT)*
- *You should know this, Timothy, that in the last days there will be very difficult times. People will be cruel and hate what is good. They will act religious, but they will reject the power that could make them godly. Stay away from people like that! (2 Timothy 3:1, 3b, 5 NLT)*
