### Kingdom Living With Courage

#### Don't Be Deceived by the 'Planned-Demic'

- Linda Kauffeld | Wisconsin Christian News, Vol 21, Issue 4

Nobel Peace prize winner Dr. Denis Mukwege has recently resigned from the COVID 19 response team due to his being forced to declare ANY illness or death to be from the coronavirus. Likewise, the President of Madagascar was offered 20 million dollars by the WHO to poison their effective herbal cure they have been using for coronavirus cases. In NYC an undercover nurse has revealed that people are **being murdered** to sustain this **false narrative**. Negative tests are being marked positive and people are being put on ventilators without medical necessity and left to die in order to pad the numbers. At a rally in Madison, I

personally heard a woman who testified that she tested negative three times for COVID 19, yet she was still marked down as a positive case.

Everyone acknowledges our **media and government are corrupt**. Yet so many people continue to trust them implicitly. Our media is owned by a small handful of corporations and they all run on the narrative they are told to report. With power like that, they can make anything they approve of to appear as the truth. Don't be deceived!

Americans have been **losing their freedoms and liberties** ever since the Patriot Act was deceitfully passed post 9/11. People walk around with masks and think they are doing their part, not realizing they are being **socially conditioned** with **globalist propaganda**. Not understanding the statistics do not match the reality they are being continually indoctrinated with. Americans have a history of liberty, faith, and **courage against tyranny**. But it is sad to see so many being deceived by those that they ought to know not to trust.

The Great Plague of London from 1663-1665, per modern historians, killed one in four people. That's a death rate of 25%. But COVID 19 has a death rate of only .2%! The common flu has a death rate of .1%. Why the crazy lockdown that destroyed our economy? Why is this virus being treated as if it were the Great Plague?

And if you haven't worn a mask for the flu your entire life, is it truly necessary to wear a mask for the coronavirus, which has been proven to be hardly worse than the flu? Everyone needs to think for themselves. Don't depend on the lying media for determining the reality you live in. **May faith** determine your reality and not fear!

**Bottom Line: Don't believe any stats coming out of CDC...**

We are **being conditioned**, my friends. If you do not have the courage to say NO to mandatory masks do you actually believe you will have the courage to say NO to mandatory vaccinations?

Mandatory masks...mandatory vaccinations. You better **decide NOW**.

I have drawn my line in the sand. My body...my choice. Not just NO to masks...but HECK NO!

I ain't wearing no stinkin' mask. – Coach Dave Daubenmire

## **COVID Tests**

# **Your Coronavirus Test Is Positive. Maybe It Shouldn't Be.**

<https://www.nytimes.com/2020/08/29/health/coronavirus-testing.html>

Of course, their solution is to continue using the flawed PCR process and test even more people.

Recently, it was discovered that the COVID-19 RNA strain used in the PCR testing protocol recommended by the Pasteur Institute in France contains the same genetic sequence as found in human chromosome 8 - so that particular test is going to trigger "positive" for pretty much everyone.

The Pasteur Institute's COVID-19 protocol is listed here:

[https://www.who.int/docs/default-source/coronaviruse/real-time-rt-pcr-assays-for-the-detection-of-sars-cov-2-institut-pasteur-paris.pdf?sfvrsn=3662fcb6\\_2](https://www.who.int/docs/default-source/coronaviruse/real-time-rt-pcr-assays-for-the-detection-of-sars-cov-2-institut-pasteur-paris.pdf?sfvrsn=3662fcb6_2)

Take note of the second line down in the list.

Then, go to the National Institute of Health Human Genome project listing here:

[https://www.ncbi.nlm.nih.gov/nucleotide/NC\\_000008.11?report=genbank&log\\$=nuclalign&from=63648346&to=63648363](https://www.ncbi.nlm.nih.gov/nucleotide/NC_000008.11?report=genbank&log$=nuclalign&from=63648346&to=63648363)

Scroll all the way to the bottom of the document and you will find the exact protein combination as listed in the COVID-19 PCR testing protocol.

**Bottom Line: Why so many tests are positive is due to what they're testing for (same genetic sequence: ctcccttgt tgtgtgt) pretty much triggers everyone for "positive".**

### **Understanding Our Kingdom Roles...**

#### **2 Cor 4:18**

As we look not to the things that are seen but to the things are unseen. For the things that are seen are transient, but the things that are unseen are eternal....

The COVID virus is not eternal. Mask-wearing is not eternal. COVID has revealed that an unseen spirit of fear can run through, not only an entire country, but an entire world. An invisible virus has people grasping at solutions that they know don't work, but which pacify the fear that has attached onto them. Courage is also eternal, and courage is of the Kingdom of God! We must have courage to stand against this fear. I have hope in the midst of COVID; not because I don't think that it is possible to get sick, but because I know the Healer and I know that He holds my days in His hand. I know no one will pluck me from His hand. I know that no virus will take my life apart from my gracious God's allowance. I know I will not leave this earth without having an

opportunity! I do not want to be so afraid of an invisible virus that I do not speak out with courage and speak out in love to bring hope to those who are walking in fear and darkness. – **Chris McMahan** (Wisconsin Christian News, Vol 21, Issue 4)

## What a Biden win Looks like...

 **Joe Biden**  @JoeBiden · 12h

As president, I will:

- Call for nationwide mask mandates
- Implement widespread testing
- Accelerate the development of treatments and vaccines

I'm ready to work on day one to contain the spread of this virus and get our country back on track.

## Projection:

Defined: What Is Projection?

Projection is the process of displacing one's feelings onto a different person, animal, or object. The term is most commonly used to describe defensive projection—attributing one's own unacceptable urges to another. The concept emerged from Sigmund Freud's work in the 1890s.

- Those who project (where does this come from)? Fallen angels?
- Full of pride, boastful (give each other awards)
- Accusing others (Saul Alinsky tactic)
- They out themselves through their voices and actions (the higher they scream, the higher up their role in Satan's army...IMO)

Bottom Line: Be careful who you follow and listen to...  
Discernment is critical for the days ahead...

### Prayer Targets:

- Pray that we, as kingdom members, recognize our roles as “streams of the Lord”  
Isaiah 43:19- where God says He is doing a new thing and making a way in the wilderness and streams in the wasteland...  
He has already provided streams in the wilderness of the USA. It is us...we are the streams of the Lord. We are the life-giving, hope revealing, faith-filled, living water vessels of the Kingdom of God. ( by Chris McMahan)
- Psa 31:24- “Be of good courage, and he shall strengthen your heart, all ye that hope in the Lord.” Pray for courage, courage to proclaim Christ and our membership in His Kingdom. Courage is eternal, and courage is of the Kingdom of God. Help us Lord to shine the light of courage unto others, to serve others and be a beacon of hope for others in the coming dark days ahead.
- Heb 5:14 “But solid food is for the mature, for those who have their powers of discernment trained by constant practice to distinguish good from evil” (ESV). Pray for discernment as we are bombarded daily with lies, false accusations, and attacks on the body of Christ. Give us patience, Lord, hear our prayers, and arm us to withstand the fiery darts of those who would separate us from your kingdom and your love poured out to each of us.
