Gate: Education

(Restoring the Lost Kingdom)

The Lord of Hosts...says, "You are My war-club, my weapon of war; and with you I shatter nations, and with you I destroy kingdoms" Jer 51:19-20

In order to deal with the enemy at any gate, we must first understand our authority: (Dean Briggs, Ekklesia Rising, chp 11)

You are commissioned in the spirit of Christ to “rule in the midst of Your enemies” (Psa 110-2)

We are given spiritual keys to the Kingdom to destroy the enemy:

- 1. See Christ first**
- 2. See our mission in light of His**
- 3. Perceive the invisible gates as real, tangible and consequential**
- 4. See the keys that unlock them**

“Every unchallenged stronghold will persist, and increase—the rules of pornography, abortion, corruption, warmongering, racism, and profiteering—if the ekklesia does not accurately discern thrones and dominions at work, protected by gates of death, and then commit to their destruction.

“We must see the form and shape of what is truly at work”

“Public education has become a major tool in creating the perfect global village citizens who don’t ask questions or doubt the propaganda in which they are drowning. That’s because the same NGOs, foundations, and federal grant programs are feeding the education system.” – Tom DeWeese

The Enemy at the gate of Education...(And Your State Too!)

**Vision: Green New Deal= Agenda 21= Sustainable Development= NWO
eliminate property rights | enable smart cities | control/track | depopulate**

Strategic: Key people on education, healthcare, finance boards (infiltration)

Insurgency using persuasion, subversion, coercion (fear)

Operations: loose network but focused (Marxist ideology is the glue)

Tactical: Indoctrination and propaganda controls

Process:

State Gov’t/ governors>>Departments>>Education>>Cities>>Media

Create the fear: COVID | lockdowns | masks | econ crash | offer salvation...

Infuse Stimulus>>grants>>Green New Deal>>Reduce Carbon>>convert to 100% renewables>>global utopia....depopulation

Maine: https://www.maine.gov/future/sites/maine.gov.future/files/inline-files/StrengtheningMainesCleanEnergyEconomy_Nov92020.pdf

“The clean energy sector is now widely viewed as central to economic recovery strategy. The International Renewable Energy Agency explains how recovery efforts and stimulus packages can be greatly improved through renewable energy projects.” (FOLLOW the MONEY)

Interpretation: “We’re going to use the UN’s Green New Deal (think UN Agenda 21) to get us out of this COVID pickle we put you in while we destroy your businesses, lock you down, and further erode your constitutional rights.” Because, (we) the gov’t is your Savior....we have the answers and solutions...

Education gate: We have developed the global citizen, sustainable development, environmental, mother earth curriculum and your kids all get it. They’re with us now... And we’ll put the grant funds into the education system to continue to brainwash them...

UMaine: University of Maine’s New England Aqua Ventus offshore wind floating platform technology (wind power) receives federal grants to operate their R+D

Fossil fuels bad...clean energy good, fossil fuels bad...clean energy good

In June 2019, Governor Mills signed legislation into law increasing the state’s Renewable Portfolio Standard (RPS) from 40 percent to 80 percent by 2030 and setting a goal of 100 percent renewable electricity by 2050.

This will never happen, because they inconveniently leave out the fact that at best, clean energy can never get to 100% of the output needed for a state that consumes 18,000 megawatts per day. (Today, clean energy only provides 6-7% of this daily requirement, fossil fuels produces over 70%). Secondly, the investor

community sees no desirable ROI for clean energy projects, so funding WILL be an issue... “an inconvenient truth” maybe?

How they sell their wares (Green New Deal):

Biddeford, Maine: <https://www.pressherald.com/2020/10/19/biddeford-pushes-forward-on-developing-climate-action-plan/>

Biddeford is the sixth community in Maine to pass a similar climate emergency declaration, following [South Portland](#), [Portland](#), Bar Harbor, Brunswick and Saco.

Education Link: The Conservation Committee will lead the work to create the action plan while working with city staff, the University of New England and others in the community. Meaghan Daly, a Biddeford resident and environmental studies professor at UNE whose academic interests include climate change adaptation, urged the city to support the resolution and cited warming Gulf of Maine temperatures and the extreme drought in Aroostook County as evidence that climate change is already happening in Maine.

They utilize multiple gates: media, education/educators, gov't>>to sell their poison...

Comment: The next Democratic candidate for Maine Governor will use this report (she co-authored it) as her premier plan to save Maine after the COVID economic impact has left Maine in a \$1.3 Billion deficit.....

Another Example:

**UMFK Center for Rural Sustainable Development
- Funded by grant**

- Led by a sitting member of the Maine Legislature whose district UMFK resides in.

- Getting paid to do nothing?

<http://www.fortfairfieldjournal.com/ffj/2020/10212009a.html>

- Nice cushy gig...20 hrs/week: \$30,310 salary, no work posted on website, no employees, no data on “how they train a technically competent citizenry to conduct the business of sustainability” a stated goal.

- Yet, the legislator sits on multiple boards, some as President, treasurer, and what agenda is he pushing?

This is the Model:

NWO requires Green New Deal>>Int'l/globalist push to nations (UN)>>nations yell carbon footprint crisis(emergency!)>>states declare climate emergencies>>utilize their state gov't controls to create their plans/initiatives>>sell it to education industry>>that teaches/brainwashes the youth>>that Green New Deal (think Greta---HOW DARE YOU) is the only thing that will save the planet or else we're dead in 11 years.....

Jesus travelled to Caesarea Phillippi to make this very point, that we must take the battle to the enemy's camp. Are we His ekklesia or not? (Briggs, pg 149)

COVID and Fear- How they use Subversion:

Idexx Labs (Maine): got a \$750K order for COVID test kits from ME gov't

Phony test kits...Idexx comes to mind - made with our tax dollars to deceive us. Made possible by Janet Mills.

Elon Musk ✓ @elonmusk · 7h

Something extremely bogus is going on. Was tested for covid four times today. Two tests came back negative, two came back positive. Same machine, same test, same nurse. Rapid antigen test from BD.

Makes you Wonder, doesn't it? COVID is getting worse, more cases, just accept our Green New Deal and we'll all get to our Utopia through clean energy!!

Do You See the Integration of Their Actions?

Pompeo's Warning...

<https://www.state.gov/u-s-states-and-the-china-competition/>

“The Chinese Government has been methodical in the way it’s analyzed our system, our very open system, one that we’re deeply proud of. It’s assessed our vulnerabilities, and it’s decided to exploit our freedoms to gain advantage over us at the federal level, the state level, and the local level.”

“Of course, too, our public educational institutions are another arena of competition

with China.”

“**CCP is targeting each state in America:** It’s happening in your states with consequences for our foreign policy, **Your teams have been targeted.** “And, in fact, whether you are viewed by the CCP as friendly or hardline, know that it’s working you, know that it’s working the team around you.”

TRUTH:

Light always overcomes darkness. Truth always overcomes lies.

“But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.”

#FightBack

**It’s TIME for Us to Shine the Light on Truth...dig,dig, dig and shine light!!!!
TIME to EXPOSE NWO>>GND>>Enslavement of Humanity>>Return of Giants**

I can only do so much: I have my hands full with just Maine. What can you do?

Action Items-(#FightBack):

- Research your state and Green New Deal efforts in all its forms
- Monitor those on boards (foundations, educ, healthcare, NGOs, etc)
- Study and learn their methods through gate manipulation
- Learn more about counterinsurgency vs insurgency:
<https://2009-2017.state.gov/documents/organization/119629.pdf>
- Become part of the counterinsurgency that must act under our Ekklesia authority to battle against the lies of this enemy....

We are the Counterinsurgency ! | We are Ekklesia ! | We Are Those Called Remnant ! | We Are United ! | Time to take the battle to the Enemy !

**WE WANT YOU!
For God's Army!**

Prayer Points:

Psa 27:1 ESV: The Lord is my light and my salvation; whom shall I fear? The Lord is the stronghold of my life; of whom shall I be afraid?

- Heavenly Father, we are weak in our fleshy bodies, we struggle with understanding and living fully in your Light. Give us discernment to recognize that your keys are waiting for us to embrace so that we can fully stand with You as our stronghold to engage the enemy. We see how the enemy is indoctrinating our children and we can't seem to stop it. Help us to identify the

enemy's tactics in our local schools and state and aid us as we push back by having you as our stronghold backstop in all our actions. With you, all things are possible. Hear our imprecatory prayers against the devil's entrenched team poisoning the education gate all around us. Be our stronghold, now and forever!

1 Sam 17:52 ESV: And the men of Israel and Judah rose with a shout and pursued the Philistines as far as Gath and the gates of Ekron, so that the wounded Philistines fell on the way from Shaaraim as far as Gath and Ekron.

- Lord God, we are a forgetful people. Have mercy on us and forgive us our sins and quell our fears about pursuing the enemy. When David pursued Goliath, he knew full well the power of your Glory, and he was prepared to sling 5 smooth stones that day to slay 5 giants. The men of Israel and Judah gathered their courage to pursue their enemy, and today we ask you implant that same courage into us to pursue the henchmen ruining our children through their indoctrination centers known as public education. Let us be successful in felling these cult of death usurpers amongst us.

2 Chron 23: 19 ESV: He stationed the gatekeepers at the gates of the house of the Lord so that no one should enter who was in any way unclean.

- Lord, we have forgotten that our minds are a gateway to our souls, and that Satan wants to overtake us because the Holy Spirit resides in us. We are your house on earth, and our bodily gates are being bombarded every day through fake media, arts, music and political maneuvers seeking to keep us enslaved in the death cult's grips. As we awaken to your purpose for us, give us the understanding and outreach to awaken others on how to fulfill our gatekeeper positions. Our country and this world depend on us, your Remnant, to deny the enemies' entry into your Holy Temple, our bodies. Give us strength to repel the fiery darts attempting to make us unclean in Your eyes. Restore us after every attack, and keep us solidly in control of all gates of the House of the Lord! Thank you Lord, in Jesus' mighty name, AMEN!
