BOMBSHELL: The 2020 election took place under a Trump-declared “National Emergency” that set an Election Day trap for the “unauthorized accessing of election and campaign infrastructure”

Mike Adams · November 15, 2020

**Foreign actors, anyone associated with them...
think Gates, Soros, Legislatures, Media ...et al.**

What people are missing in all this is that Trump’s 2018 executive order gives the DOJ the power **to seize all assets of individuals and companies that were complicit in aiding or covering up this foreign interference in U.S. elections.**

The National Emergency order specifically calls for seizure of **all assets** of entities that have, “directly or indirectly engaged in, sponsored, concealed, or otherwise been complicit in foreign interference in a United States election.”

We shall reduce the US deficit in short order....

**The BADS NEWS FROM OUR NORTHERN BORDER....
Meanwhile in Canada:**

Trudeau speaks: "Building back better means getting support to the most vulnerable while maintaining our momentum on reaching the 2030 agenda for sustainable development and the SDGs (**UN Sustainable Development Goals**)

Canada is here to listen and to help.

This pandemic has provided an opportunity for a reset. This is our chance to accelerate our pre-pandemic efforts to re-imagine economic systems that actually address global challenges like extreme poverty, inequality, and climate change."

This is the same reset the Arch Bishop wrote the open letter to POTUS about.

Is the Media Complicit?

A screenshot of a Twitter thread. At the top, a tweet from Jack Flynn (@GoJackFlynn) is shown, retweeted by ~KRACKEN KLAWZ~. The tweet discusses a nefarious computer system and the media's role. Below it are two replies: one from Emerald Robinson (@EmeraldRobinson) questioning the flow of votes through various international firms, and another from Praying Medic (@prayingmedic) questioning the preemptive announcements by Facebook and Twitter. A third reply from Major Patriot (@MajorPatriot) is also visible, questioning the media's knowledge of Dominion and Smartmatic software.

Basic Foreign and Domestic Enemies all balled into one questionably nefarious computer system. Another attempted coup of the REAL PRESIDENT ELECT. The battlefield has changed but this war is real. Media is Complicit.

Emerald Robinson @EmeraldRobinson · 10h

So the votes for 30 states are sent to a Canadian firm which subcontracts its software to a Venezuelan firm that counts the votes after they arrive at a Barcelona-based firm that had a remote server in Germany?

Praying Medic @prayingmedic · 7h

Why did Facebook and Twitter preemptively announce they would not allow anyone to prematurely call the election?
Why did they specifically give that authority to the press?
Pre-planned?

Major Patriot @MajorPatriot · 13h

What if we find out The Media not only knew about Dominion and Smartmatic the entire time, but worked in concert with them in how they timed the calling of States for each candidate in order to give the software programmers time to reconfigure the numbers?

What's Next?

Greg Rubini @GregRubini · 11h

yes: this has go to straight to Military Tribunals:
TREASON.

The evidence of national vote fraud in voting machines is irrefutable. The evidence will be increasingly revealed this week.

They tried to steal the Presidency.

They got caught.

Let your voices be heard. We The People have the power, not Chinese-corrupted officials.

What were they (DS-gov't/media) up to?

PRAYER POINTS

Job 38:17 ESV- Have the gates of death been revealed to you, or have you seen the gates of deep darkness?

-Heavenly Father, the revealing has started, yet there are millions still asleep. Many have already succumbed to sorcery and witchcraft ever present and utilized by the deep state government actors and the fake media. We thank you for waking us up, revealing truth and the depths of evil and all its depravity being perpetrated on humanity. WE thank you for leading us to our purpose to stand at these gates of deep darkness. We ask for your protective armor to envelop us to firm up our spiritual walk and warfare with the enemy. Place us on paths to awaken others and to be there for them as they learn the same truth and react to depravity all around them.

Jer 33: 5-7 ESV- They are coming in to fight against the Chaldeans and to fill them with the dead bodies of men whom I shall strike down in my anger and my

wrath, for I have hidden my face from this city because of all their evil. Behold, I will bring to it health and healing, and I will heal them and reveal to them abundance of prosperity and security. I will restore the fortunes of Judah and the fortunes of Israel, and rebuild them as they were at first.

-Father, we know that all things come in good time based on your time schedule, not ours. We look to your throne room to release health and healing, and to restore the remnant to its planned glory for eternity. As your kingdom ambassadors, give us patience to withstand the fake news and illusionary tactics of the walking dead, those we know as the modern day Chaldeans, Nephilim, Rephaim, and Amalekites. We pray for your warring and administering angels to assist us in dealing with what is happening in the spiritual and manifesting into the physical. Re-build every new entrant into your kingdom being gathered for the harvest and keep us united as one in Christ for the battles ahead.

2 Sam 1:27 ESV- How the mighty have fallen, and the weapons of war perished!

-Lord, Jesus, we give our thanks in advance as the mighty are falling every day by their own words and deeds. For those with eyes to see, and ears to hear, we can feel and hear the ground shake and explode with the slaughter of the mighty ones that are destroyed with the Word, the truth, and your gospel message. They continue to out themselves daily and we are on to the deep state puppet masters and their propaganda arm of evil intentions. We ask for advanced kingdom keys and spiritual warriors by our side as we rush to all gates and occupy til You come as we go on offense on this multi-dimensional battlefield.

Eph 5:12-14 ESV- For it is shameful even to speak of the things that they do in secret. But when anything is exposed by the light, it becomes visible, for anything that becomes visible is light.

- Lord, we know what your light is. We feel the depth and breadth of your shining Glory. Arm us with Your penetrating light so we can lighten every corner, secret room, secret actions and secret death cult spells, incantations, black magic and sorcery driven attempts to steal human souls. Give us strength to withstand all pushback, arrows, and beguiling actions of these dark forces

that have infiltrated into all 7 gates of human living. We ask for divine guidance to lead our offensive penetrations into the dark areas at this time when these evil minions are pulling all their efforts to enslave humanity and control us with their great reset, a new world utopian that will destroy humanity as we know it. Keep us in the fight, today and always until your return. In Jesus name, AMEN!
