### Is The Military (US) The Only Way?

(Restoring the Lost Kingdom)

In the End, God Wins

**Joshua 6:3-5 ESV-** You shall march around the city, all the men of war going around the city once. Thus shall you do for six days. Seven priests shall bear seven trumpets of rams' horns before the ark. On the seventh day you shall march around the city seven times, and the priests shall blow the trumpets. And when they make a long blast with the ram's horn, when you hear the sound of the trumpet, then all the people shall shout with a great shout, and the wall of the city will fall down flat, and the people shall go up, everyone straight before him.

From an Anon:

(give this a good read Patriots ! )

The #DNI will give the President the assessment of foreign interference in our elections pursuant to EO Dated September 18, 2018. This will be the assessment of all our intelligence agencies in consultation with the head of all executive departments. The assessment will show massive interference as well as foreign governments working with many persons in positions of authority within the United States to fix the election, which we all know happened. This classified report will give the President of the United States the legal and moral authority to declare this election null and void in some fashion when the time is right. This will open the door to a provisional government or some form of national emergency that will lead ultimately to #MartialLaw and military control of our country.

The legal challenges will continue until 75% of the public recognizes that something wrong occurred with this election and the exposure of the CCP's actions with regards to compromising our elected officials becomes clear. The exposure of Rep. Stillwell D-CA at this time was no accident. Everything is being carefully timed. As more cases are spammed into the court system and shot down, people will realize our judicial system is No Bueno to use some Spanish. The public must realize there is no justice left in the system.

If you have ever listened to Trump's famous speech in Florida during the 2016 election he said, "our movement is to REPLACE a corrupt and broken system and return power back to you, the American people". This isn't about fixing the voting machines and putting Trump back in office. This is about purging everything and starting over. Stop and think about what I just said. Our government in its present state is not salvageable. We have to go back to our founding and start fresh. This is the Biblical separating the wheat from the chaff. Luke 3:17.

My source made it clear this was never going to be solved by legal avenues. This was always going to be a military operation and has been from the beginning. Am I coming through 5 X 5? December 19th the President will receive the DNI report, or perhaps sooner, but the 19th is the deadline per the EO. Please hear what I am about to say. Civilians engaging the thugs in the streets cannot happen. Stay home and protect your family and neighbors using extreme prejudice if the situation calls for it. Our men don't need to worry about friendlies being killed. For obvious reasons I don't have further details or timing of any events. I would urge you to stock up on food, meds, water filtration devices and pet food. This action will be swift and clean. As in all military operations, things are not always as clean as they would like, but nothing can stop what is coming. Stop worrying about the court cases meant for optics. The President knew all the existing judges were corrupt and had to test who on the Supreme Court was loyal to the Republic. Now we know.

This will be a bumpy several weeks. Red pill as many as possible please so we have that 75% number. Our military will be ready for any foreign military actions against our homeland. All efforts have been made to protect the American public during this historic and Biblical transition to a new world of freedom from the dark forces that have enslaved us for centuries. God bless you and may God bless the United States of America.

**Biblical? Luke 3: 17, ESV:** "His winnowing fork is in his hand, to clear his threshing floor and to gather the wheat into his barn, but the chaff he will burn with unquenchable fire."

**WHAT IF THIS IS EXACTLY TRUE? Let's dig into it...**

## EO 13848: Executive Order on Imposing Certain Sanctions in the Event of Foreign Interference in a United States Election (Sep 12, 2018)

### Source:

<https://www.whitehouse.gov/presidential-actions/executive-order-imposing-certain-sanctions-event-foreign-interference-united-states-election/>

First para: "I, DONALD J. TRUMP, President of the United States of America, find that the ability of persons located, in whole or in substantial part, outside the United States to interfere in or undermine public confidence in United States elections, including through the unauthorized accessing of election and campaign infrastructure or the covert distribution of propaganda and disinformation, constitutes an unusual and extraordinary threat to the national security and foreign policy of the United States..."

**"I hereby declare a national emergency to deal with this threat."**

US National Essential Functions (old NSPD- National Security Presidential Decision 51) (Replaced by new Presidential Policy Directive 40- TopS)

It's likely the National Essential Functions (NEFs) have not changed.

Source: <https://fas.org/irp/offdocs/nspd/nspd-51.htm>

### **NSPD 51: (superseded by PPD 40))**

e) "Enduring Constitutional Government," or "ECG," means a cooperative effort among the executive, legislative, and judicial branches of the Federal Government, coordinated by the President, as a matter of comity with respect to the legislative and judicial branches and with proper respect for the constitutional separation of powers among the branches, to preserve the constitutional framework under which the Nation is governed and the capability of all three branches of government to execute constitutional responsibilities and provide for orderly succession, appropriate transition of leadership, and interoperability and support of the National Essential Functions during a catastrophic emergency;

## **NEFs:**

(5) The following NEFs are the foundation for all continuity programs and capabilities and represent the overarching responsibilities of the Federal Government to lead and sustain the Nation during a crisis, and therefore sustaining the following NEFs shall be the primary focus of the Federal Government leadership **during and in the aftermath of an emergency** that adversely affects the performance of Government Functions:

(a) Ensuring the continued functioning of our form of government under the Constitution, including the functioning of the three separate branches of government;

(b) Providing leadership visible to the Nation and the world and maintaining the trust and confidence of the American people;

(c) Defending the Constitution of the United States against all enemies, foreign and domestic, and preventing or interdicting attacks against the United States or its people, property, or interests;

(d) Maintaining and fostering effective relationships with foreign nations;

(e) Protecting against **threats to the homeland** and bringing to justice perpetrators of crimes or attacks against the United States or its people, property, or interests;

(f) Providing rapid and effective response to and recovery from the domestic consequences of an attack or other incident;

(g) Protecting and stabilizing the Nation's economy and ensuring public confidence in its financial systems; and

(h) Providing for critical Federal Government services that address the national health, safety, and welfare needs of the United States.

**EO 13848 cont'd: Sec. 8.** For the purposes of this order:

(a) the term "person" means an individual or entity; (think nation-states and corporations/foundations etc)

**Cyberattack:** Defined: <https://www.upguard.com/blog/cyber-attack>

A cyber attack is an attempt to disable computers, steal data, or use a

breached computer system to launch additional attacks. In other situations, cyber attacks can be part of nation-states' cyber warfare or cyber terrorism efforts.

**Is a nation state's cyberattack against another nation state's election infrastructure considered an act of war?**

**Hypothesis:** If Chinese Communist infiltration into all three branches of the US Government is so deep, and China as a nation state is implicated in a cyberattack to manipulate election machines (think property), then this event is considered an attack (an act of war) on the National Essential Functions of America. Therefore the only option and entity authorized to defend and deter these actions are the US Military.

**DoD:** Yes

DOJ: No

FBI: No

CIA: No

DEA: No

FPS: No

US Marshals: No

State Police: No

But this does not mean the 3 letter agencies don't have work to do:  
There are still white hats working to save our country.

**Donald J. Trump** @realDonaldTrump · 1h

Chris Krebs was totally excoriated and proven wrong at the Senate Hearing on the Fraudulent 2020 Election. Massive FRAUD took place with machines, people voting from out of state, illegals, dead people, no signatures—and so much more!

This claim about election fraud is disputed

**Is This Biblical as Sidney Powell suggests?**

**Luke 3: 17, ESV:** "His winnowing fork is in his hand, to clear his threshing floor and to gather the wheat into his barn, but the chaff he will burn with unquenchable fire."

**TPT:** "He has in his hands a winnowing fork to clean up his threshing floor! He will separate the wheat from the chaff. The wheat he will gather into his barn, but he will burn the chaff in a fire that no one can ever put out!"

**NKJV:** “His winnowing fan *is* in His hand, and He will thoroughly clean out His threshing floor, and gather the wheat into His barn; but the chaff He will burn with unquenchable fire.”

**Article:**

**Excerpt:** This country, this country that was founded on a core principle of rights coming from God, not government, **opened** its figurative doors with a Mayflower Compact that **pledged**, “for the glory of God and advancement of the Christian faith,” to “plant the first colony” and govern in harmony.

The Mayflower Compact was a covenant...we are out of covenant (meaning our entire governmental structure)..time for the reset (not the Deep State's reset, but God's)

Joshua's Army is us, (and our military) we are those circling around Jericho.... (today's Deep State)

**A little birdie told me:** “We are the saviors of mankind”...

“Organizations and/or people that wish to do us harm during this time will be met with swift fury- certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad)”

- Military Intelligence
- No media
- No leaks

## Prayer Targets:

**1 Sam 12: 17, NKJV:** *Is today not the wheat harvest? I will call to the Lord, and He will send thunder and rain, that you may perceive and see that your wickedness is great, which you have done in the sight of the Lord, in asking a king for yourselves."*

- Father, we see the clouds surrounding us, we are told of the enemy's plans to keep us enslaved and to reduce humanity worldwide. Yet the darkness is not our path. We thank you for showing us light within your Kingdom. We are the wheat being separated at this time. Give us clarity in your harvest so that we may reach others and share with them the good news of salvation. Strengthen us to rebel against man's law, and to follow your kingship and not this world!

**1 Sam 24:4, NKJV:** Then the men of David said to him, "This is the day of which the Lord said to you, 'Behold, I will deliver your enemy into your hand, that you may do to him as it seems good to you.' " And David arose and secretly cut off a corner of Saul's robe.

- Heavenly Father, your Kingdom is moving mightily to place our enemy into our hands. By their own walk in wickedness, they out themselves for all in the land to witness and give testimony to others. We pray that our mercies for our enemies will meet your threshold as we are all your creation. Give us strength to mete out the law, apply justice, and have mercy for others as you place our defenders, our military and first responders, in harm's way to deliver this invisible enemy into our hands for all the evil they have perpetrated on humanity for eons. We thank you for your Grace, and for our faith in the just cause to rid evil from the face of this earth.

**Jer 30:23, NKJV:** Behold, the whirlwind of the Lord Goes forth with fury, A continuing whirlwind; It will fall violently on the head of the wicked.

-Father, we are witnessing your will at present. We are thankful that you have placed us on this earth for such a time as this to witness your whirlwind. It is not by our faith and actions, yet by your fury that we will be freed from the grips of this invisible enemy. Let us never forget we are small seeds in this cosmos, but with and through you, we move mountains and gates and are given the keys to restore your lost kingdom here and for eternity on this habitat we call earth. Bless our walk with You each and every day. Lead us to the new heaven and new earth where the wicked shall be no more. We pray for our righteous leaders and ask you to deal with those that stay in rebellion. Your Will be done. Amen!
