Do We Really Know Trump? Who gives up \$2B to be President?

Did he really walk away and leave his entire family exposed?

Is he a streetfighter or not?

Is there an abundance of evidence against the traitors?

Do you think citizen voters are ready to see the evil of our masters?

How do you publically wake up the masses?

What is a “near death” experience and how does it affect someone?

What if Trump knows all of government is infiltrated?

Facebook just announced it "made a mistake" when it censored studies showing HCQ saves lives. Censorship is never "a mistake." Tech executives repeatedly made a calculated decision, month after month, silencing physicians worldwide. Censorship kills.

A woman did her regular aerobics class out in open without realizing that a coup was taking place in #Myanmar. A Military convoy reaching the parliament can be seen behind the woman as she performs aerobics. Incredible!

## Prayer Points

**Isaiah 9:7, ESV.** Of the increase of his government and of peace there will be no end, on the throne of David and over his kingdom, to establish it and to uphold it with justice and with righteousness from this time forth and forevermore. The zeal of the Lord of hosts will do this.

- Heavenly Father, we cannot fathom the depth of Your zeal, yet we know that any plan forthcoming is Your plan being carried out on this earth. We anxiously await for your government of authority, order and peace to arrive. We pray for a bolstered spirit so we can influence and support men and women of righteousness and morality to step into positions of authority to restore Your kingdom here and now. We ask for Your zeal to be released now so that Your will be done on earth as it is in heaven.

**Psalms 41:7-9, NKJV.** All who hate me whisper together against me; Against me they devise my hurt. "An evil disease," *they say*, "clings to him. And *now* that he lies down, he will rise up no more." Even my own familiar friend in whom I trusted, Who ate my bread, Has lifted up *his* heel against me.

- Heavenly Father, the pressures surrounding our households are increasing daily as the enemy circles ever more through false teachings, government violations against our sovereignty, and mandates to keep us from loving, sharing, and fellowshiping with

our brothers and sisters. We pray for patience, wisdom, and a discerning spirit to help us through these times where family and friends attack us and discourage our walk with you and believe they have the truth and we do not. Prepare us for the future when the tables of truth are revealed and we will be there to comfort those who attacked our heels and knew not what they had done.

1 John 5:4, ESV. For everyone who has been born of God overcomes the world. And this is the victory that has overcome the world—our faith.

- Father, in this time our faith is being tested like we've never seen in our lifetime. We struggle to discern truth from lies. We find ourselves at odds with family and friends who have not broken away from the bonds of worldly materialism, false doctrines and programming. They treat us as lepers in our own communities and homes. We pray for renewed faith in overcoming the attacks by the devil through his minions and those that have succumbed to the beast system. Give us a double dose of courage so that we can withstand the tribulation ahead as you carry out Your plan for the world and unveiling our purpose in your great commission that we have the privilege to be a part of right now. We ask all our prayer petitions be heard in Jesus' name, Amen.
