Hollywood Elites 'Kill Innocent Children & Drink Their Blood'

**PEDOWOOD**

Gibson, who has spent the last 30 years working inside and outside of the Hollywood regime, says that the industry's hierarchy "thrives on abuse, pain, torture, stress, and suffering." According to Gibson, the desire to inflict such abuse isn't limited to just the elite, but only "those at the top of the food chain can afford such a 'luxury,'" although, it's a "goal for most people in the industry."

"Hollywood is drenched in innocent children's blood." The references to pedophilia and cannibalism have always been there, but for years they cryptic or symbolic. "I was introduced to these practices in the early 2000s and was threatened with serious repercussions should I ever speak out." And, I don't just mean my career, I mean my life was threatened, my family's life would be in danger. "I can only talk about it now as those people, those industry executives, they're all dead now." They see the blood of a sexually abused infant as the 'ultimate prize' and say that it's 'highly enriched.'

"Babies are like a 'premium currency' and hold a higher value of anything else you can think of: Diamonds, drugs, caviar, you name it." They are literally trading these kids like a currency for favors, movie roles, kickbacks..."

## Homosexual prostitution inquiry ensnares VIPs with Reagan, Bush

### 'Call boys' took midnight tour of White House

A homosexual prostitution ring is under investigation by federal and District authorities and includes among its clients key officials of the Reagan and Bush administrations, military officers, congressional aides and U.S. and foreign businessmen with close social ties to Washington's political elite, documents obtained by The Washington Times reveal.

One of the ring's high-profile clients was so well-connected, in fact, that he could arrange a middle-of-the-night tour of the White House for his friends on Sunday, July 3, of last year. Among the six persons on the extraordinary 1 a.m. tour were two male prostitutes.

Federal authorities, including the Secret Service, are investigating criminal aspects of the ring and have told male prostitutes and their homosexual clients that a grand jury will deliberate over the evidence throughout the summer, The Times learned.

Reporters for this newspaper examined hundreds of credit-card vouchers, drawn on both corporate and personal cards and made payable to the escort service operated by the homosexual ring. Many of the vouchers were run through a so-called "sub-merchant" account of the Chambers Funeral Home by a son of the owner, without the company's knowledge.

Among the client names contained in the vouchers -- and identified by prostitutes and escort operators -- are government officials, locally based U.S. military officers, businessmen, lawyers, bankers, congressional aides and other professionals.

Editors of The Times said the newspaper would print only the names of those found to be in sensitive government posts or positions of influence. "There is no intention of publishing names or facts about the operation merely for titillation," said Wesley Pruden, managing editor of The Times.

The office of U.S. Attorney Jay B. Stephens, former deputy White House counsel to President Reagan, is coordinating federal aspects of the inquiry but refused to discuss the investigation or grand jury action.

Several former White House colleagues of Mr. Stephens are listed among clients of the homosexual prostitution ring, according to the credit-card records, and those persons have confirmed that the charges were theirs.

Mr. Stephens' office, after first saying it would cooperate with The Times' inquiry, withdrew the offer late yesterday and also declined to say whether Mr. Stephens would recuse himself from the case because of possible conflict of interest.

At least one highly placed Bush administration official and a wealthy businessman who procured homosexual prostitutes from the escort services operated by the ring are cooperating with the investigation, several sources said.

Among clients who charged homosexual prostitute services on major credit cards over the past 18 months are Charles K. Dutcher, former associate director of presidential personnel in the Reagan administration, and Paul R. Balach, Labor Secretary Elizabeth Dole's political personnel liaison to the White House.

In the 1970s, Mr. Dutcher was a congressional aide to former Rep. Hubert H. Humphrey, Maryland Republican who resigned from the House after he admitted having engaged in sexual liaisons with teen-age male

**Prayer Points**

**Gen 43: 8, ESV. And Judah said to Israel his father, "Send the boy with me, and we will arise and go, that we may live and not die, both we and you and also our little ones.**

**- Heaven Father, we thank you for all the first responders and military heros who are working behind the scenes to save the children held in captivity around the world. We ask for your healing power to cover these victims of the deep state. We pray you will continue to shine your light to expose the evil perpetrated on humanity by these demonic entities. We**

ask for blessing over these children and for families to come forward to open their homes for those without families.

**Deut 31:12, ESV.** Assemble the people, men, women, and little ones, and the sojourner within your towns, that they may hear and learn to fear the Lord your God, and be careful to do all the words of this law.

- Father, as each day grows closer to your return, we pray more minds will open to the real crime of the nations, the stealing, abuse, and killing of your little ones. Help us to awaken others and increase their search for truth and righteousness, especially the secrets of what the deep state is doing in homage to their false gods. Help us all to understand that the fear of the Lord is the beginning of wisdom, and what we do to protect and defend our offspring is part of your eternal plan for us while on this earth.

**2 Chron 23:19, ESV.** He stationed the gatekeepers at the gates of the house of the Lord so that no one should enter who was in any way unclean.

- Father, we have forgotten our purpose on this earth. We are in this world but not of it. In our desire to fulfil our purpose, our minds have been stolen to accept a different reality, a reality that has us not manning the gates of the world's demonic portals. Wake us up Lord! Bring us back to your gates and equip us to withstand the arrows of this hidden enemy! Give us your protection and stamina to deal with the unclean who are roaming and seeking whom they may devour. Reveal to us the false prophets and teachers so that we may block their ability to enter the gates to your Kingdom in order to pollute and consume the righteous ones.

**1 John 5: 18-19, ESV.** We know that everyone who has been born of God does not keep on sinning, but he who was born of God protects him, and the evil one does not touch him. We know that we are from God, and the whole world lies in the power of the evil one.

**- Father, how quickly we forget your Word! We claim to be a part of your kingdom, yet we are bombarded by a relentless enemy attempting to wield its power over us. The worldly systems in education, media, and religions have been polluted and completely impacted by familiar spirits, not of God, and in rebellion to You. We pray for inclusion into your protected remnant, and with the power of the Holy Spirit, we are ready and able to withstand the attacks on all fronts by the evil one and his abusive power used to keep us from walking daily in Your kingdom. WE pray for extra protection for you little ones who are forced to live in a system of slavery beyond comprehension and are deprived of life and liberty. Place a special blessing and protection over their souls. In Jesus name. Amen.**
