History

Bradford and the First Colony...

“It becomes apparent that Governor Bradford concluded that Communism is not only inefficient but that it is unnatural and in violation of the laws of God” -Naked Communist, pg 134

“It is interesting that after the Pilgrim Fathers tried Communism they abandoned it in favor of a free enterprise type of capitalism which, over the centuries, has become more highly developed in the United States than in any other nation.” -Naked Communist, pg 134

History

Dr. Bella Dodd...1940s-1950s | Former Communist

On Senator Joe McCarthy:

Paraphrased: the attacks on Joe McCarthy were one of the worst sneak campaigns to ever occur in the United States.

In 1954, Bella Dodd, a high ranking defector from the US Communist Party, warned us that Masonic Jewish central bankers are behind Communism, and this satanic cult controls the USA.

History

Dr. Bella Dodd...1940s-1950s | Former Communist

“As a member of the communist party I didn't know (about the National Council of Churches) but the fact is the party subsidized hundreds of young men to go into the ministry. They went to the more liberal churches—where they could achieve their position in a shorter period of time. In other words there were certain schools for the ministry where they can achieve their job in let's say a year or two rather than a longer time”...

If they (communists) can gain control over certain churches, they will do so... <https://youtu.be/pKBj0s6OZec>

History

Dr. Bella Dodd...1940s-1950s | Former Communist

If they (communists) can gain control over certain churches, they will do so...

The Communist Party operates by infiltrating and subverting social institutions like the churches, schools, mass media and government. **Its aim is “to create new types of human beings who will conform to the blueprint of the world they confidently expected to control.”**

“CPUSA had 1100 members become Catholic priests in the 1930’s.”

History

J Edgar Hoover...

“The objectives of Communism are being steadily advanced...The individual is handicapped by coming face to face with a conspiracy so monstrous, he cannot believe it exists.” -J Edgar Hoover (1956)

JFK: Infiltration not Invasion....

“For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence -- on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. -JFK

History

Communism's Manifesto (45 goals)...

Marx: 1) Downfall of all existing govt's, economics and societies and 2) race of men who would no longer depend upon free will, ethics, morals or conscience for guidance:

- **Man rules the world** (not a Creator god) Task #1: **Dethrone God**...

- Liquidate Christianity, overthrow capitalism, eliminate the family unit, eliminate property ownership, intellectuals (enlightened to run the world)
