The Enemy Within & Their Tactics

Hypnosis of the Left

What we Witnessed

For years all over the country faculty, students, and administrators must tow the liberal party line lest they be at risk of shortened careers or low, politically motivated grades.

It's the Communist Party line...

Hypnosis of the Left

Dr. Bella Dodd...1940s-1950s | Former Communist

On Senator Joe McCarthy:

Paraphrased: the attacks on Joe McCarthy were one of the worst sneak campaigns to ever occur in the United States.

In 1954, Bella Dodd, a high ranking defector from the US Communist Party, warned us that Masonic Jewish central bankers are behind Communism, and this satanic cult controls the USA.

History

Dr. Dodd Cont'd:

If they (communists) can gain control over certain churches, they will do so...

The Communist Party operates by infiltrating and subverting social institutions like the churches, schools, mass media and government. **Its aim is “to create new types of human beings who will conform to the blueprint of the world they confidently expected to control.”**

History

JFK Knew...

Infiltration vs. Invasion speech

--Secret societies, communism, bankers

--Assassinated

“For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence -- on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. -JFK

J Edgar Hoover...

“The objectives of Communism are being steadily advanced...The individual is handicapped by coming face to face with a conspiracy so monstrous, he cannot believe it exists.” -J Edgar Hoover (1956)

The Left

The Left's tool...

Massive hypnotic propaganda has deceived and convinced the population that anyone who points to a Communist conspiracy will be ostracized and discredited.*

(They did it to McCarthy..yet he was right!)

The Left

The Left's Focus...

Christians. Why?

“Christianity is the foundation for the Constitution, and if its principles cannot be openly practiced both in and out of government, capitalism will lose its foundation support and be replaced by its foe, Communism.”*

The Left

Communism's Tactics...

Hegel: T S A (Thesis-Synergy- Antithesis) | Problem-Solution-Reaction

“What we are witnessing today is a worldwide demonic push for synthesis. It's about forging a utopia, the drive to be as God, to be our own masters of meaning and destiny, and to build heaven on earth.”

- *Upside Down in America*, pg 88 by Dr. Mike Spaulding

Godless reality= Imaginary Reality= Oneness (a fake reality)

God is Dead | Self vs Selflessness | Revolution | Reason | Sorcery

More Tactics

- Push government into chaos- human sins of the greedy lust for unlimited power
- Eliminate private property
(Self driving elec cars rentals)
- Eliminate the freedom to reap the fruits of one's own labor (kill incentive)
- Kill our spiritual foundation (Bible banned in schools, coerce citizens (masks, shots, etc))

More Attempted Hypnosis

- They say America was never a Christian nation...that's another communist lie..
- The Constitution was inspired by the principles from the Bible and applies its inspired truth.
(The left denies this)
- The right to own private property is essential to a free people. (The left wants to steal it)

What's Happening?

- The foundational layers are being broken up and discarded (Christianity, Property Rights, Capitalism, etc)
- The Government has been and is continuing to be infiltrated and ransacked by a foreign body and ideology while the public watches...

The Who and How

Prayer Points

1 Kings 4:29, ESV. And God gave Solomon **wisdom** and understanding beyond measure, and breadth of mind like the sand on the seashore.

- Heavenly Father, we come to you with humble and contrite hearts, knowing so little about the wisdom you wish us to have. Help us in remaining focused on Your wisdom so that we can dodge the fiery darts of Satan's army. We pray for meekness to our fellow man, yet assertive in our stance at Your gates to thwart the attempts of evil ones to control us through their unlawful claims to eliminate our beliefs, our families and our God given rights to exist. We ask for protections for ourselves and all who defend our Constitution and way of life, freely given to us by Your hand.

Prayer Points

Matt 12:42. ESV. The queen of the South will rise up at the judgment with this generation and condemn it, for she came from the ends of the earth to hear the wisdom of Solomon, and behold, something greater than Solomon is here.

- Father, we have been so brainwashed by the left that we have forgotten who we are in You. Help us to re-focus our lives, our thoughts, and to protect us from the power of the queen of the south, who wreaks havoc on the brethren. Strengthen our resolve to be Your salt and to withstand the works of the evil doers to completely usurp and destroy the brotherhood of Christianity.

Prayer Points

Rom 16:19, ESV. For your obedience is known to all, so that I rejoice over you, but I want you to be **wise** as to what is good and innocent as to what is evil.

- Father, we have become so engrossed to the worldly systems that we have forgotten who we are in You. We blindly fall into the traps of those who have captured our government and want to rid your remnant from this world. We pray for revival and awakening so that all will see the wonder of your Kingdom, and that all who have followed the path of evil will be revealed for all to see. Give us strength and courage to reveal evil and stand with the Body of Christ to thwart the evil running rampant in society. We petition the throne room to hear all these prayers in Your precious name, our Lord, Jesus Christ. Amen!
